

**STAY UP FRONT AND
IN CONTROL WITH
STARCARD DEBIT.**

There are times when your business needs to stick to a firm path on its way to success. StarCard Debit provides this added control. It's an easy prepaid debit solution for limiting as well as managing your fuel expenses efficiently. StarCard Debit gives you greater record-keeping transparency, cost control, and added Caltex fuel savings among other benefits; other standard debit cards just don't provide this level of service.

VISIBILITY

Keep an eye on all your expenditures in real-time, and generate reports and tax documents for account management.

- Keep informed with real-time reporting and instant access to data
- Better manage your activity by extracting reports by vehicle or fleet
- Save time and paperwork with monthly ATO-approved tax invoices
- Benefit from greater transparency with consolidated monthly invoicing
- Enjoy the flexibility of choosing between electronic or mail invoicing
- Manage accounts online with new card issue and account transfer functions

Run critical reports such as: detailed lists of all active cards by account; lists of all active cards on every account linked to a different structure; transaction data by card number and date range; summaries of account transactions by location; and summaries of all purchases on an account, by card number and date range (with or without additional GST details).

CONTROL

Full expenditure control and accountability lets you confidently manage your fleet's spending.

- Control and manage fuel expenses through: direct debit from your bank account; prepaid preset re-charge amounts; and automatic recharge, with additional top-up amounts
- Set spending limits and restrict types of purchases on each card
- Restrict card use to staff and vehicles and benefit from PIN protected security
- Receive savings of 1 cent per litre on regular unleaded fuels and 2 cents per litre on Vortex premium fuels

CONVENIENCE

Your fleet can fuel up wherever, whenever, and fully benefit from access to Australia's largest retail network.

- Enjoy access to over 1,800 Caltex outlets nationwide
- Receive 5% savings on selected convenience items*
- Get staff support via a 1300 customer service number; available 24 hours for lost and stolen cards
- For added support, optional national roadside assistance packages are available
