HARMFUL
KEEP OUT OF REACH OF CHILDREN

An emulsifiable, narrow range spray oil for control of armoured scale on avocados and kiwifruit; scale and mites on citrus, pip and stone fruits; and powdery mildew on grapes.

Active Ingredient: 823 g/L mineral oil in the form of an emulsifiable concentrate.

Unsusphonated residue not less than 98%

Registered Trademark of Caltex Australia Petroleum Pty Ltd, 2 Market St., Sydney NSW 2000 Australia.

HARMS CLASSIFICATIONS

HARMFUL

ECOTOXIC

Harmful if swallowed, inhaled or absorbed through the skin.

PRECAUTIONS

Keep out of reach of children. Avoid contact with skin. Avoid breathing dust or spray mist. Do not eat, drink or smoke while using. When mixing or applying wear waterproof gloves, long-sleeved overalls and footwear. Do not drink hot or cold beverage while using. Store in original container, tightly closed and under lock and key. Do not store with Class 1, 2, 3 and 4 or 5 substances.

GENERAL INFORMATION

D-C-Tron Plus Organic Spray Oil is a highly refined mineral oil. Maintain adequate control. Complete coverage is essential. If pest numbers are high or crop conditions are problematic, a higher concentration is recommended.

RECOMMENDATIONS FOR USE

Do not apply on leaves that are wet or that are likely to become wet. Do not apply to citrus trees in hot dry weather. Do not apply at temperatures over 32°C. Complete coverage is essential. The spray tank should be thoroughly cleaned prior to disposal.
